Objectives

I've been working as a Web Developer for a certain period of time and during that time I've revamped web security applications, designed and developed a user-friendly website. Currently I am working at "Machine Xtreme IT" as a Software Developer. This professional experience has helped me to improve my skills over necessary development tools, and provided me with knowledge of how to design a user friendly, secure website.I believe my skill set will benefit you and your company, so I am looking forward to working with you.

Programming Skills

Expertise	:	HTML, CSS, Bootstrap, JavaScript, JQuery, React, PHP, Laravel, API
Comfortable	:	Tailwind, DaisyUI, Node, Express, MongoDB
Familiar	:	Mongoose, Stripe, Redux
Tools	:	Git, Wordpress, Figma, Firebase, Heroku, Cpanel

Professional Experience
